DIRECTORS' REPORT

30th June 2014

The directors present their report, together with the financial statements, on the company for the year ended 30 June 2013.

Directors

The following persons were directors of the company during the whole of the financial year and up to the date of this report, unless otherwise stated:

Paul Laxon	Rod Solomons (commenced Feb 2014)
Dimity Dornan AO	Maree Blake
Jane Black	Margaret Steinberg AM
Bruce Black	Melanie Alpar
Peter Riddles (commenced Nov 2013)	Cameron MacMillan (resigned Sept 2013)

Objectives

The key short term objective for Hear and Say is to open up new worlds for deaf children. Hear and Say exists to facilitate access to the basic human right to communicate through listening and speaking thereby enabling all children to reach their full potential.

The longer term objective for Hear and Say is to be the leader in the provision of access to listening and speaking for children with hearing loss, and their families, worldwide.

These objectives are now slowly being realised. Listening and spoken language is a genuine reality for children born deaf in 2014. Hear and Say is ushering in a new generation of deaf children, a generation who hear, listen and speak

Strategy for achieving the objectives

With hearing loss as the most common disability in new-born children and more than 90% of these children born with permanent hearing loss being born to hearing parents, there is now, more than ever, an imperative for Hear and Say to spearhead community change and to redefine the benchmarks set for children with hearing loss. The 21st Century has seen much transformation in the field of hearing loss and in our professional sector, with ever advancing technology, diversified funding streams and the maturing knowledge emerging around auditory brain development and therapy techniques. With changing community expectations and increasing government interest in collaborative partnering and community-lead service delivery, Hear and Say's strong research and clinical reputation means that the organisation is clearly well positioned to lead this social change.

To ensure that the Hear and Say mission and vision is realised, the organisation has identified three strategic pillars to guide organisational business activity that centre on **Sustainability**, **Excellence** and **Advocacy**. Specifically, the three core strategic intents for Hear and Say are:

- Sustainability through Funding, People and Infrastructure. In order to:
 - o Ensure equity of quality and access for the delivery of Auditory-Verbal, audiology and supporting services to children who are deaf irrespective of geographic location in order to give listening and speaking to as many children who are deaf as possible
 - Develop sustainable business models in all areas of Hear and Say (Children and Families, Research and Innovation and Worldwide) in order to access government, philanthropic and community funding pools in order to increase funding available to Hear and Say for all children but specifically QLD children who are deaf

A Company Limited by Guarantee

ACN 058 430 069

- Attract, retain, develop and support high calibre staff to ensure quality, efficacy and efficiency
 of all service delivery in order to achieve our short and long term objectives
- Procure, develop and / or maintain infrastructure capability and capacity to facilitate the delivery of world leading services in support of our organisational vision.
- Performance and Research Excellence. In order to:
 - Ensure the delivery of world leading, evidence based clinical services supported by efficient and effective, outcomes driven non-clinical team who are values based and understand the organisational vision.
- A voice for all children (Advocacy)
 - Creating greater awareness of listening and spoken language outcomes for children who are deaf
 - o Ensuring that Hear and Say is 'front-of-mind' as a charity of choice, educator of children with hearing loss, preferred employer, researcher and in other areas
 - Making listening and spoken language outcomes available to all children with hearing loss regardless of geography, circumstance

With further extrapolation, these Strategic Intents identify desired strategic outcomes for the organisation and organisational processes and outcomes that can be measured against a set of clearly defined performance measures for Hear and Say.

Combined with the organisational values these strategic outcomes set the organisational philosophy and prioritises business effort for Hear and Say, thus underpinning all activity for Hear and Say and establishing a clear strategic future for the organisation.

Principal activities

During the year the principal continuing activities of the company were to act as a charitable body providing children who are deaf or hearing impaired with access to listening and spoken language and supporting their families in this journey.

The fundraising activities of the company have been critical in bridging the gap between government funding and other income sources.

Performance measures

The company measures its performance in a number of key areas including, but not limited to the number of children who are deaf or hearing impaired having the opportunity to listen and speak and the amount of funds raised. The key performance measures are maintained in a Balanced Scorecard format responding to the following key areas and the accompanying strategic questions:

Financial independence – Do we have sustainable funding to support existing & planned services and activities, growth, new initiative? Are we financially viable – profitable and solvent?

Attraction & retention of best people – Are our reputation and values in alignment with the staff support, professional development and unique work opportunities that we offer?

Establishment & maintenance of appropriate infrastructure and technology – Have we the appropriate infrastructure capacity and capability available to support our vision?

Best practice clinical performance - Does our whole system collaborate on innovation and adopting technologies to facilitate evidence based best practice that can be monitored?

Best practice non-clinical performance – Does a framework for continuous quality improvement (CQI) exist to facilitate, encourage, support and demonstrate improved service delivery/outcomes?

A Company Limited by Guarantee

ACN 058 430 069

Research & development – Does our research and innovation program provide evidence process management, program quality, program value with measures implemented for appropriate project selection, articulation of benefits, program management, and staff productivity?

Advocacy – Are parents and parent advisory bodies are aware and informed and do we have engaged and supportive political, philanthropic, and professional groups?

Branding & recognition – Is the Hear and Say brand being recognised for outcomes, quality and innovation and is our reputation being enhanced and maintained?

Worldwide – Are we providing benchmarked clinical outcomes for the world and delivering world leading, evidenced based practice for the education of parents of / professionals working with children with hearing loss?

Information on directors

Name: Paul Laxon

Title: Non-Executive Chairman

Qualifications: B Comm; Fellow TIA; Associate Member ICAA

Experience and expertise: Paul is a Partner with Ernst and Young and leads their Queensland tax

practice. Paul has in excess of 25 years' experience in advising clients in relation to taxation matters and specifically in relation to mergers and acquisitions. NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The company has early adopted AASB 1053 'Application of Tiers of Australian Accounting Standards' and AASB 2010-2 'Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements'. No other new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have been early adopted.

Any significant impact on the accounting policies of the company from the adoption of these Accounting Standards and Interpretations are disclosed in the relevant accounting policy. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

AASB 1053 Application of Tiers of Australian Accounting Standards

The company has early adopted AASB 1053 from 1 July 2011. This standard establishes a differential financial reporting framework consisting of two Tiers of reporting requirements for preparing general purpose financial statements, being Tier 1 Australian Accounting Standards and Tier 2 Australian Accounting Standards - Reduced Disclosure Requirements. The company being classed as Tier 2 continues to apply the full recognition and measurements requirements of Australian Accounting Standards with substantially reduced disclosure in accordance with AASB 2010-2.

AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements

The company has early adopted AASB 2010-2 from 1 July 2011. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations, to introduce reduced disclosure requirements to the pronouncements for application by certain types of entities in preparing general purpose financial statements. The adoption of these amendments has significantly reduced the company's disclosure requirements.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001, as appropriate for not-for-profit oriented entities. These financial statements do not comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

Historical cost convention

The financial statements have been prepared under the historical cost convention.

A Company Limited by Guarantee

ACN 058 430 069

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Donations

Donations are recognised at the time the pledge is made.

Other Donations/Bequests/Fundraising Activities

Contributions received via non-specific donations, bequests or fundraising activities and contributions to assist in the acquisition of assets, being non-reciprocal transfers, are measured at the fair value of the asset received and are recognised when the Group receives the donation or bequest or conducts the fundraising activity.

Grants

Contributions received by way of grants that have a specific objects clause attached are accounted for as reciprocal transfers and are measured at the fair value of the asset received and recognised as revenue when the Group expends the funds received for the specific purposes for which the grant was made.

Interest revenue

Interest revenue is recognised as it accrues, using the effective interest rate method.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Income tax

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade and other receivables

Other receivables are recognised at amortised cost, less any provision for impairment.

Property, plant and equipment

Land and buildings are shown at fair value, based on periodic, at least every 3 years, valuations by external independent valuers, less subsequent depreciation and impairment for buildings. The valuations are undertaken more frequently if there is a material change in the fair value relative to the carrying amount. Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Increases in the carrying amounts arising on revaluation of land and buildings are credited in other comprehensive income through to the revaluation surplus reserve in equity. Any revaluation decrements are initially taken in other comprehensive income through to the revaluation surplus reserve to the extent of any previous revaluation surplus of the same asset. Thereafter the decrements are taken to profit or loss.

A Company Limited by Guarantee

ACN 058 430 069

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Class of Fixed Asset

Buildings

Leasehold improvements

Plant and equipment - at cost

Furniture and fittings - at cost

Depreciation Rate
5% Prime cost
16.32% Prime cost
10% to 40% DV
10% to 40% DV

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Employee benefits

Wages and salaries and annual leave

Liabilities for wages and salaries, including non-monetary benefits, and annual leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

Long service leave

The liability for long service leave is recognised in current and non-current liabilities, depending on the unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Superannuation expense contributions

Contributions to superannuation plans are expensed in the period in which they are incurred.

A Company Limited by Guarantee

ACN 058 430 069

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

NOTE 2. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets. The company assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs to sell or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Long service leave provision

As discussed in note 1, the liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

NOTE 9: FINANCIAL INSTRUMENTS

Market risk

Interest rate risk

The company is not exposed to any significant interest rate risk.

NOTE 10: CONTINGENT LIABILITIES

The company had no contingent liabilities as at 30 June 2014 and 30 June 2013.

NOTE 11: COMMITMENTS

The company had no commitments for expenditure as at 30 June 2013 however has since entered into a construction contract during 2014. The purchase price of the land and the building contract was for \$8,604,000 with the unexpended component of the contract at 30 June 2014 amounting to \$5,265,060.

NOTE 12: RELATED PARTY TRANSACTIONS

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

NOTE 13. EVENTS AFTER THE REPORTING PERIOD

Since the 30th June 2013, Hear and Say received a number of conditional grants towards the rebuilding of premises at Ithaca as part of Project Possibility. One generous donor has committed \$4 Million towards this project and the Queensland State Government has announced a further \$2 Million over two years. The Board has undertaken appropriate risk and governance analysis as to the organisation's financial and operational capability and has entered into a construction contract during the current financial year. These financial statements have been adjusted for these events.

There are no other known matters or circumstances that have arisen since 30 June 2014 that have significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

NOTE 14: MEMBERS' GUARANTEE

The company is limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of two dollars towards meeting any outstanding obligations of the company.

NOTE 15: COMPANY DETAILS

The registered office and principal place of business of the company is:

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF THE HEAR AND SAY CENTRE FOR DEAF CHILDREN

Report on the Financial Report

We have audited the accompanying financial report of **The Hear and Say Centre for Deaf Children**, which comprises the statement of financial position as at **30 June 2014**, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of **The Hear and Say Centre for Deaf Children**, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of **The Hear and Say Centre for Deaf Children** is in accordance with the Corporations Act 2001, including:

(i) giving a true and fair view of the company's financial position as at 30 June 2014 and of its performance for the year ended on that date; and

(ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.
