Directors' Report

The Directors present this report on Hear and Say Limited for the financial year ended 30 June 2023.

Directors

The Directors of Hear and Say Limited at any time during or since the end of the financial year are:

Mr Matthew Ames Dr Jane Black Dr Dimity Dornan AO Mrs Evelyn Goggin Mr Andrew Fraser Mr Mario Pennisi AM Dr Margaret Steinberg AM Mr Darren Sumich Dr Helen Chenery

Objectives

Hear and Say exists for the purpose of relieving the distress, suffering and misfortune experienced by persons with a permanent or temporary hearing loss and/or speech disability. This is our Principal Purpose.

Strategy for achieving objectives

Hear and Say aims to achieve its principal purpose through means and activities such as:

- (i) identifying and diagnosing permanent or temporary hearing loss and/or speech disability and advancing knowledge and understanding of the issues and difficulties faced by persons with these conditions;
- (ii) promoting, developing and furthering the education, integration and assimilation of persons with permanent or temporary hearing loss and/or speech disability;
- (iii) training and providing specialist teachers for persons with permanent or temporary hearing loss and/or speech disability;
- (iv) counselling and educating teachers, parents, guardians, relatives and other stakeholders as to the special needs of persons with permanent or temporary hearing loss or speech disability to enable the provision of appropriate support;
- (v) arranging and promoting vocational training, guidance and placement of persons with permanent or temporary hearing loss and/or speech disability to enable those persons to integrate and become self-supporting members for the community;
- (vi) engaging in research and other associated measures to advance knowledge in relation to the education, recreation, training, welfare, care, aid, protection and employment of persons with permanent or temporary hearing loss and/or speech disability;
- (vii) creating forums for the discussion of the issues relating to the education and integration of persons with a permanent or temporary hearing loss and/or speech disability;
- (viii) Publishing and distributing papers, journals and other publications in furtherance of the Principal Purpose;
- (ix) supporting the development of appropriate legislation, rules and regulations which govern and regulate the treatment of persons with permanent or temporary hearing loss or speech disability;
- (x) undertaking activities for the purposes of generating profit or otherwise raising funds, the proceeds of which are to be applied in furtherance of the Principal Purpose; and
- (xi) doing other things as may be deemed incidental or conducive to the furtherance of the Principal Purpose

Hear and Say's current strategy has four streams. They are, 'help more people,' 'moments of magic,' 'streamlined and effective,' and 'collaborative and curious.' The strategy prioritises the delivery of services to people in regional Queensland, which will involve the creation of new relationships, referral pathways and funding mechanisms. It includes expansion of the organisation's service scope to support more children with general speech disabilities, and it anticipates growth in the scale of regional service hubs, to improve efficiency and mitigate against the risk of discontinuity of service. The strategy also embraces more conscious leverage of the organisation's ability to create magic through the joy of sound, under the banner of 'moments of magic.'

Performance measures

Key performance measures include the following:

Help more people

- Number of clinic clients (total and outside metropolitan Brisbane)
- Number of clinical staff (as a measure of capacity)
- Number of clients with hearing loss and without hearing loss
- Total occasions of service
- Number of service locations
- Number of referrers (general practitioners and specialists)

Moments of magic

- Customer experience (Net Promoter Score)
- Donor volume and value

Streamlined and effective

- Revenue
- Net profit
- Net profit margin
- Overhead ratio
- Payroll to revenue ratio
- Revenue/FTE
- Cancellation rate
- Employee engagement (action)

Collaborative and curious

- Government funding
- Employee engagement (vision, strategy)
- Research partnerships

Principal activities

The principal activity of Hear and Say Limited during the period was to provide audiology and specialised speech pathology for all people with hearing loss in Queensland. Hear and Say Limited operates state-wide and supports people of all ages, from newborn babies through to adults.

In the opinion of the Directors, there were no significant changes in the nature of Hear and Say Limited's activity that occurred during the financial year.

Notes to the Financial Statements

1. Corporate Information

Hear and Say Limited was incorporated under the *Corporations Act 2001* on 2 February 1993 and is a public company limited by guarantee that is domiciled in Australia. The registered office and principal place of business of Hear and Say Limited is 29 Nathan Avenue, Ashgrove QLD 4060.

Hear and Say Limited is a not-for-profit entity for financial reporting purposes. This financial report for the year ended 30 June 2023 was authorised for issue in accordance with a resolution of the directors of Hear and Say Limited on 5 December 2023.

2. Basis of Preparation and Statement of Compliance

The financial statements are general purpose financial statements that have been prepared in accordance with Australia Accounting Standards – Simplified Disclosures Requirements of the Australian Accounting Standards Board and the Australian Charities and Not-for-Profits Commission Act 2012.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar. The functional and presentation currency is Australian dollars. When required by Accounting Standards or for clarity, comparative information has been reclassified to achieve consistency with the current financial figures and other disclosures.

3. New or amended Accounting Standards and Interpretations adopted

Hear and Say Limited has adopted all new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

4. Summary of Significant Accounting Policies

(a) Revenue

Revenue is recognised at the fair value of consideration received or receivable, to the extent that it is reliably measurable, and it is probable that economic benefits arising from the transaction will flow to Hear and Say Limited. In addition, the following specific recognition criteria must be satisfied prior to revenue being recognised:

I. Provision of Service

Revenue from the provision of service to clients is recognised upon the delivery of the agreed services to the customer.

II. Operating Grants, Donations and Bequests

Revenue received as operating grants, donations and bequests from any sources are assessed by Hear and Say Limited to determine whether a contract exists that is enforceable and has sufficiently specific performance obligations. When both these conditions are satisfied, Hear and Say Limited defers revenue recognition until the obligations are satisfied. If the performance obligations are not sufficiently specific, revenue will be recognised upon receipts.

III. Goods-in-kind Donations

Gifted assets acquired at a nominal value or nil value are recognised at their fair value at the date when Hear and Say Limited gains control over the asset.

IV. Fundraising Income

Receipts from fundraising events are recognised as income when received.

V. Sale of Goods

Revenue from the sale of goods is recognised when control of the goods has passed to the buyer. Control is transferred to the buyer at the time of delivery of the goods to the customer.

VI. Interest Income

Interest revenue is recognised as interest accrues using the effective interest method.

(b) Finance Costs

Finance costs are recognised as expenses in the period in which they are incurred.

(c) Income Tax

Hear and Say Limited is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(d) Goods and Services Tax

Revenue, expenses, assets, and liabilities are recognised net of GST amount, unless the GST incurred is not recoverable from the Australian Taxation Office. In this case, the GST is recognised as part of the cost of acquisition of the asset or as part of the expenses. Receivables and payables in the Statement of Financial Position are shown as GST inclusive amounts.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the Australian Taxation Office, are presented as operating cash flows.

(e) Expenses

All expenses are recognised on an accrual basis and have been classified under headings that reflect the nature of the activity.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value.

(g) Property, Plant and Equipment

i. Acquisition

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Land and buildings

Land and buildings are shown at fair value, based on periodic, at least every 5 years, valuations by external independent valuers, less subsequent depreciation, and impairment for buildings. The valuations are undertaken more frequently if there is a material change in the fair value relative to the carrying amount. Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Increases in the carrying amounts arising on revaluation of land and buildings are credited in other comprehensive income through to the revaluation surplus reserve in equity. Any revaluation decrements are initially taken in other comprehensive

income through to the revaluation surplus reserve to the extent of any previous revaluation surplus of the same asset. Thereafter the decrements are taken to profit or loss.

Plant and equipment

Plant and equipment are measured using the cost model.

Donated assets are recorded at market value when Hear and Say Limited gains control.

ii. Depreciation

Depreciation is calculated on a diminishing value method over the asset's useful life to Hear and Say Limited, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful lives.

The depreciation rates used for each class of depreciable assets are shown below:

Fixed asset class	Depreciation rate
Buildings	5%
Plant & Equipment	10-40%
Furniture & Fittings	10-40%
Motor Vehicles	12.5%
Software	20%

Depreciation expense is recognised in the Statement of Profit or Loss and Other Comprehensive Income in the expense category consistent with the function of the asset.

iii. De-recognition and Disposal

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use. Any gains or loss arising from de-recognition of an asset, calculated as the difference between the net disposal proceeds and the residual amount of the asset, is included in the Statement of Profit or Loss and Other Comprehensive Income in the year the asset is de-recognised.

At the end of each annual reporting period, the depreciation method, useful life, and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(h) Cash and Cash Equivalents

Cash and cash equivalents in the Statement of Financial Position and Statement of Cash Flows, comprise of cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(i) Leases

Hear and Say Limited has applied AASB 16 Leases using the modified retrospective approach from 1 July 2021. Prior periods have not been restated.

i. Accounting policy applicable from 1 July 2021 – Hear and Say Limited as a lessee

For any new contracts entered on or after 1 July 2021, Hear and Say Limited considers whether a contract is, or contains a lease. A lease is defined as a "contract, or part of a contract, that conveys the right or use an asset (the underlying asset) for a period in exchange for consideration". To apply this definition, Hear and Say Limited assesses whether the contract meets three key evaluations which are whether:

- 1. The contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to Hear and Say Limited;
- 2. Hear and Say Limited has the right to obtain substantial economic benefits from the use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract;
- 3. Hear and Say Limited has the right to direct the use of the identified asset throughout the period of use. Hear and Say Limited assesses whether it has the right to direct "how and for what purpose" the asset is used throughout the period of use.

ii. Measurement and recognition of leases as a lessee

At lease commencement date, Hear and Say Limited recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by Hear and Say Limited, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date (net of any incentives received).

Hear and Say Limited depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. Hear and Say Limited also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, Hear and Say Limited measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or Hear and Say Limited's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in-substance fixed payments), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Following by the initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

On the Statement of Financial Position, right-of-use assets and lease liabilities are reported separately.

iii. Exceptions to lease accounting

Hear and Say Limited has elected to apply the exceptions to lease accounting for both short-term leases (i.e., leases with a term of less than or equal to 12 months) and leases of low-value assets. Hear and Say Limited recognises the payments associated with these leases as an expense on a straight-line method over the lease term in the Statement of Profit and Loss and Other Comprehensive Income.

(j) Trade and Other Receivables

Trade receivables are recognised and carried at original invoice amount less an allowance for any uncollectable amounts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectable are written off. A provision for doubtful debts is established when there is objective evidence that Hear and Say Limited will not be able to collect all amounts due in accordance with the original terms of receivables.

(k) Trade and Other Payables

Trade and other payables are carried at costs and represent liabilities for goods and services supplied to Hear and Say Limited, prior to the end of the financial year that remain unpaid and arise when Hear and Say Limited becomes obliged to make future payments with regards to the purchase of these goods and services.

These amounts are unsecured and are typically paid within 30 days.

(I) Employee Benefits

i. Short-term Employee Benefit Obligation

Liabilities for annual leave and long service leave expected to be settled within 12 months of the reporting date are recognised in provisions in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when liabilities are settled.

ii. Long-term Employee Benefit

Liabilities for employees' long service leave who have not reached their vesting date, are recognised in the provision, and measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, periods of service, on-costs and the probabilities that some employees may not satisfy any vesting requirements. Expected future payments are discounted based on the long-term government bond rate as at the reporting date, with terms of maturity that matches as closely as possible the estimated future cash outflows.

(m) Economic dependence

Hear and Say Limited is dependent on grant revenue for a major share of its revenue used to operate the business. At the date of this report, the Board of Directors have no reason to believe that grant revenue will not continue to be provided in support of Hear and Say Limited.

5. Critical Accounting Estimates and Judgements

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Estimation of useful lives of assets

Hear and Say Limited determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

Hear and Say Limited assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Fair value of land and buildings

As per the accounting policy in note 4, land and buildings are held at fair value based on an independent valuation by a registered valuer which occurs at a minimum every 5 years or when there is a significant change in fair value. The determination of fair value is considered a category 3 in the fair value hierarchy and involves certain key judgements. The independent valuer utilises a combination of the capitalisation and direct comparison approach in determination of fair value or in certain circumstances, when relevant, just the direct comparison approach.

INDEPENDENT AUDITOR'S REPORT

To the members of Hear and Say Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Hear and Say Limited (the registered entity), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the responsible entities' declaration.

In our opinion the accompanying financial report of Hear and Say Limited, is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- (i) Giving a true and fair view of the registered entity's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations* 2022.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The responsible entities of the registered entity are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Directors report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of responsible entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Simplified Disclosures and the ACNC Act, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

The responsible entities of the registered entity are responsible for overseeing the registered entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<u>http://www.auasb.gov.au/Home.aspx</u>) at:
